The Mission of the Appalachian Reading Center, Inc. is to improve the reading skills of the people of Appalachia. The Appalachian Reading Center, Inc. will accomplish this by providing reading tutoring through one-to-one and small group instruction using structured language approaches. The Appalachian Reading Center, Inc. will also provide coaching services to parents who are home schooling their children through modeled tutoring sessions and instructional support. Additionally, The Appalachian Reading Center, Inc. will provide training for educators and parents in how to best implement structured language approaches.

Audio Book Collection Expands!

Thanks to a grant from the Greater Kanawha Valley Foundation, we will be adding more than 50 new CD sets to our Audio Book collection. New titles will include Bridge to Terabithia, Tale of Despereaux, and Mr. Popper's Pen-

guins.

Listening to age-appropriate, quality literature can improve vocabulary, develop an appreciation of "book language", and keep struggling readers current with the latest books their peers may be reading.

Look for the new titles soon in our waiting room!
